Raised in Wagga Wagga, Liv Phyland snatched up one of the best jobs she could hope for as one of hosts of ABC3 for kids.

Not only has she hosted ABC3's flagship show 'Studio3' since 2011 but she has also appeared in her own extreme sports series 'Liv on the Edge' and MC'd events such as 'Fun4Kids' festival, Cyber Safety Summit and St Kilda Festival.

Whether she's surfing, singing, or dancing like there's nobody watching, Liv Phyland always has energy to burn. She's a fresh, healthy face with a cheeky sense of humour and her genuine lust for life is addictive.

Liv is also a singer/songwriter who has travelled extensively with her band *Jeanie*.

Liv has completed an undergraduate degree in Psychology and is currently studying Integrative Nutrition with IIN.
